

I truly believe in the importance of play, while being authentic and telling our stories.

May 31, 2026

Hello Everyone!

I am soooooo grateful for the 1 1/4" of rain we received this afternoon on the very last day of May. While the rain has made our garden a bit more wild, I am practicing breathing through it and letting the weeds wait.

Staying grounded in the present moment has been essential lately as I spend full days preparing for the summer art fair season. I am keeping my local schedule focused this year, exhibiting at only three fairs in Minnesota. The first is quickly approaching, with setup for the Edina Art Fair—which runs June 5-7, 2026—on this coming Thursday.

By taking things one step at a time, I am making sure everything is ready for next weekend. I have spent the last few months nurturing new, deeply textured works, and my hope is that these pieces will create a visual bridge for everyone who visits my space.

- ✨ Just a few Sneak Peaks

June's Month of Fairs:

I have taken over the dining room table, the basement table, and as referenced in the above photo, my studio has morphed into a collection space of all things needed come this next weekend (minus our dear black and white dog, Moo!). Pulled from storage, garage, or from my studio, all that I don't want to forget is added to these piles to then make sense of in the next few days. It's a process to say, and yet I don't terribly mind.

So the one thing to truly note for all: I only have these 3 local art fairs in Minnesota this summer. Please come and find me! I so would love to connect with you and share & tell 🌟

Sneak Peak of What You Will Find:

🎨 **Introducing Noodles & Doodles** (below left)! I am excited to share I am now offering for all of you Noodlers and Doodlers, 5 1/2" x 8 1/2" blank or lined paper journals. Choose from 6 different images, from yours truly 😊

🎨 I am super thrilled with my **very latest Stories on Wood and the one-of-a-kind frames** that will house each. As before, I present my profile designs to my local woodworker friend who does his magic, transforming wood into works of art, in and of themselves! I then hand-finish (above middle photo) them to compliment each of the new oil & mixed medium paintings. Isn't that blue something!? 😊

🎨 As promised, a **new batch of sandstone coasters** with cork backing are now back from my local printer friend. In addition to new snippets from my Stories on Wood, I have decided to also offer options reflecting snippets from my Abstractions (above right). Cuz, why not? 😊

(Both the Noodles & Doodles and the coasters will be added to my Shop near the end of July.)

✨ Thank you for reading. I look forward to sharing more with you in 2-3 weeks time.

*Until next time,
Please be well,
Heidi*
